MUSIC PRODUCTION

UNDERSTAND OUR KEY T&C'S!

Performance Opportunities: We value the importance and impact performances give to our students! Students have the exciting opportunity to participate in multiple performances throughout the year, ranging from our casual Open Mic Hangouts to the formal Winter and Spring Concerts!

Instruments: Students are required to own their own instrument for instruction and to practice on through the week. Voice students thrive when using a keyboard and a music stand in lessons.

Commitment: Enrolling in lessons commits you and your teacher to a recurring weekly time spot until the end of the school year (June), and resets in September. J with a K Music is closed during stat holidays and most school holidays.

Rescheduling lessons: Students are offered four (4) make-up lesson opportunities during the school year: Sept - January 31st = 2, February - June 15th = 2. Students will be provided a detailed lesson plan for any missed lessons beyond the allotted rescheduling opportunities to ensure continued progress.

Cancelling Lessons: Students may withdraw from their lesson subscription at any time with one month (equivalent to 4 lessons) written notice.

Monthly Payments: J with a K students are on a monthly membership for the school year (September - June, Summer months are flexible!). Students may register at any time during the year and the membership will be prorated depending on the date of registration. To best suit your needs, we have the option of paying your monthly fees via Credit Card or Pre-Authorized Debits.
